# Introduction

An initiative on “Prevention of Substance Abuse among School Students” was implemented by NEDFi in partnership with the Office of District Magistrate and Collector, Sepahijhala District, Tripura. The programme covered 26 nos. of government schools of the Sepahijhala district of Tripura. The initiative conducted a two days training programme for nominated teachers wherein the teachers were trained as first line of defense against the menace of drug abuse.

After successful completion of the training program, the teachers were trained on various implementation activities to be performed in their respective schools. The trained teachers have already conducted the implementation programs for the month of July, August, September, October, November, 2023.

In regard to Advancing North East’s “Prevention of Substance Abuse among School Students” initiative, the trained teachers celebrated World Drug Day, 2024 in their respective schools on June 26, 2024. Various activities such as awareness rally, oath against substance abuse, quote regarding substance abuse in the morning assembly, awareness programs on causes and prevention of substance abuse were conducted by the trained teachers.
